**Our Students and Families
Want You To Know:**

"I can't tell you how thankful to God I am that there are people like all of you to help kids that need direction in their lives. Thank you. I love all of you." A Calvary Graduate

A Mother of a former student sent a donation and wrote:

"Just a note to let you know that our son is doing very well. Thank you for all that you did to help our family when we needed you!"

Another Graduate Now In College Says:

"Calvary was my last chance to get my act together and thanks all to the Lord, I graduated and found a peace that drugs were never able to give me. Every day I give thanks for the changes that Jesus has made in my life."

A 10th Grade Student Writes:

"I have a lot to be thankful for like being here and having strong Christians to show me right from wrong...and I can honestly say that without Calvary, I would still be walking down the wrong path."

This Graduate Sent a Donation and Wrote:

"I am doing great...and got accepted into Martin Luther College. I am going to become a teacher/counselor so that maybe someday I can help kids just like Calvary helped me. Thank you for everything."

Peace, hope, love in Christ
