Meet a Good Samaritan Fund Recipient....

Hello. My name is Katie, I'm almost sixteen. I have been at Calvary since June of 2008. When I got here I thought, "This is a piece of cake; I'll be out of here in no time." I know now that is not true.

At first, things were hard...out in the middle of nowhere in the summer's heat. I felt like my family had deserted me. But that wasn't the worst feeling I had. While being far far away from home, I found out my grandma had passed away shortly after she brought me here. Then shortly after that, I found out my family was moving to another state. **Distressed, upset, and feeling like the lonliest person on the face of the earth, I had a realization.**

I realized the staff at Calvary is going to help me. They are here to help me deal with school, behavioral problems, spiritual problems and grief. **Being at Calvary meant I couldn't turn to things like alcohol to get away from people.** I had to face my feelings and problems and deal with them head-on!

Now that I am really working on things, I am getting better. I've reconnected with Jesus. Now I realize that Calvary is a blessing in disguise, and I am very happy to have come to Calvary. My life was going down a very wrong road, and I knew it, but I didn't change. Now I am changing and through Calvary, **Jesus has helped me become a new person.** The struggle is well worth it.

I've reconnected with Jesus.

WE ARE NOT GOING TO SAY "NO" TO...

- ...the son of a disabled veteran who has sacrificed much for his country and is willing to give all he has for his child,
- ...the son of a single parent whose younger child has severe medical problems,
- ...the daughter of a single parent who left an abusive relationship to give her child a normal God-pleasing life,
- ...or any others like them!

WE ARE PRAYING YOU WILL SAY "YES" TO Giving Hope to Hurting Families!
