AUXILIARY NEWS & UPDATES

COOKIE SALE – 2009: We had the greatest number of cookies ever and sold every last cookie for a record total of more than \$6100.00! Cookie Sales plus Thrivent Matching Funds totaled \$11,013.00 which also is a record. However, we did not have a final matching funds gift so our total stayed at the \$11,013.00 instead of being doubled as in the past. We are grateful for every cookie, every prayer, and every dime!

COOKIE SALE - 2010: Friday, November 26th is the 2010 World's Greatest Cookie Sale at Country Springs in Waukesha. Saturday, November 27th is the Craft & Bake Sale at Shoreland Lutheran High School, Somers, WI. Packaging will take place at Zion Lutheran Church (NOT the school), next door to our former office) on November 22nd and November 23rd. Times will be announced at a later date.

Items may be brought to the school June 11th, 14th and 15th or call Jane Strutz at 262-681-0160 to arrange a different time. Set-up begins Monday, the 14th. To be a success, Strutz stated "We need Things to Sell, People to Work, and People to Buy. And more tables for display."

The Courtyard of Hope continues to be a focal point on our campus. Composed of hundreds of clay pavers or bricks, many of which are already permanently inscribed with a special message and/or the name of someone special, this commemorative Courtyard is intended to be a beautiful and lasting testament to donors, supporters and friends of the Academy. For our families, for our students and for our staff, the Courtyard of Hope is a constant reminder that others are out there praying for and supporting the Lord's ministry at Calvary.

The regular size (4x8) brick allows for 3 lines of inscription, each 20 characters maximum and costs \$200; the oversized (8x8) brick allows for 6 lines of inscription, each line 20 characters maximum and costs \$500. We would love to add more voices to our Courtyard of Hope, including yours. Please call for a brochure.
